OCTOBER, 2006

VOL. 3, ISSUE 3

Crab Feed says 'Hooray for Hollywood'

This year the fourth annual Crab and Shrimp Feed is going Hollywood with the theme "Hooray for Hollywood!" The date for this red carpet extravaganza is Saturday, February 3, 2007, at Laguna Town Hall.

Remember that this spectacular event sells out quickly, so purchase your tickets early and don't wait 'til show time or you will miss out. Ticket forms will be going home soon. You can buy your tickets for this premier event starting October 23 in the school office at 7:30 a.m. As a special option, you can use Visa and MasterCard to buy your

tickets in person on this day only.

Tickets are only \$40 each and include bread, salad, pasta, crab, shrimp, and desert, plus all the fun you can have! You can also enjoy the live and silent auctions and raffle, not to mention your chance to live "Dancing with the Stars" immediately following the dinner activities.

Sponsorships are still available for this Red Carpet Event! Sponsorship levels range from \$100 for the "family donation"

to \$1,000 for the "platinum level," which includes recognitions, tickets, a bottle of wine, and all of the raffle tickets you can wrap around yourself. Please contact Judy Hoffman at jhoffman676@frontiernet.net. And if you have Kings memorabilia, vacation packages, theater tickets or any other great auction items you would like to donate, please send Judy an email or call the school office at 684-8177 and leave a message for her.

Lastly, we volunteers make the Crab and Shrimp Feed successful. We are looking for people to help plan the event, set up, help out during the event, and take down and clean up. Sign-up forms are available in the office.

PTO Message for October

As you may have read or heard, the Scriven family is leaving the Foulks Ranch community for Southern California. I would like to take this opportunity to thank Jon, Kelly, Jenna, and Thomas for all that they have done for the community. I only hope that I can help facilitate the continued success that we have enjoyed.

I would like to ask the entire Foulks Ranch community for their help.

We are in need of approximately six team managers for Destination Imagination (DI). We may need more, or possibly less, depending on how many teams compete for Foulks Ranch. DI allows team members to reach creative solutions for different team challenges.

The role of the team manager is to "coach" team members in the solutions while allowing the team to create solutions on their own. Com-

plete information is located at www.destinationimagination.org. If you are interested, please contact Mr. Austin as soon as possible.

Kathie Moya needs one more volunteer Art Docent. Please contact the office if you can volunteer one hour a month. Kathie will train and provide all the materials you will need. With one more volunteer, each and every class at Foulks Ranch will have an Art Docent!

Mark your calendars for the Sock Hop on Friday, October 20, 2006. The Sock Hop is a free Foulks Ranch PTO event and was a hit last year.

Crab Feed tickets go on sale Monday, October 23, 2006 and for those of you who are looking for early Christmas gifts - Christmas wrap and See's candy go on sale in October.

Thank you for supporting the Foulks Ranch community!

Darin Noonan

48 volunteers signed up as Art Docents

The Art Docent Program is up and running. Kathie Moya has been working diligently recruiting, orientating and training new Art Docents for the program. The program has 23 new Art Docents and 25 returning Art Docents from last year. There is an Art Docent in every classroom except one.

Some of the Art Docent projects are already hanging up around the school, in the classrooms, and at the District Office. We can always make room if you'd like to join the program - it's fun, exciting, and rewarding.

Please consider being an Art Docent. Training is provided. If you want to help, please leave a message for Kathie in the office.

The Foulks Ranch Elementary School Mission: *The Foulks Ranch community, consisting of students, staff and families, has the shared responsibility to infuse essential skills necessary for each student to:*

- ◆ *Experience academic and social success*
- ◆ *Provide a safe and nurturing learning environment that fosters responsible citizenship*
- ◆ *Model and develop respect for diversity while recognizing commonality*
