PTO focuses on replacing track

While the PTO focus this year is more about donating your time than your money, our PTO has set its sights on replacing the worn out track our students use for physical education and recreation.

In addition to raising money for the new track, the PTO is also looking into the possibility of helping to build the track to reduce costs. Mary Beth Kropp is working with

the district on possible options to have it replaced.

In addition to replacing our track, our PTO will be busy this year helping our students have another great year by holding activities like movie

nights and sock hops that that our students to enjoy, organizing events that show our appreciation to our teachers for the wonderful job they do, and in general helping Foulks Ranch be a H.A.P.P.Y. place.

Annual crab feed goes Fiesta

Our biggest fund-raiser of the year — the annual Crab Feed — moves south of the border this year as it takes on a Fiesta theme. It will be held on Saturday, Feb. 23. The PTO is already hard at work preparing for a fun-filled evening.

Look for tickets to go on sale in December and be ready — this fun filled event always sells out.
